

Dear Patient:

Your doctor has recommended that you receive a MRI to assist in the diagnosis and treatment of your condition. For your convenience, UB Orthopaedics & Sports Medicine offers MRI services on site at our Amherst office located at 4949 Harlem Road and the services provided at this site will be read by a board certified radiologist.

Where you choose to have imaging services is entirely up to you, the patient. Under the Department of Health and Human Services Final Regulations we are required to provide you with a list of at least five other locations in the area in which you may receive your MRI services. The locations are as follows:
